Nos. 23, 24 and 34

IN THE

Supreme Court of the United States

October Term, 1947

FEDERAL TRADE COMMISSION,

Petitioner,

vs.

THE CEMENT INSTITUTE, *et al.*; AETNA PORTLAND CEMENT COMPANY, *et al.*; BLAINE S. SMITH, *et al.*,

Respondents.

ON WRITS OF CERTIORARI TO THE UNITED STATES CIRCUIT COURT OF APPEALS FOR THE SEVENTH CIRCUIT

COMPLETE INDEX TO VOLUME I TO IV OF APPENDIX A TO BRIEF OF RESPONDENTS

WILLIAM J. DONOVAN
GEORGE S. LEISURE
BRECK P. MCALLISTER
2 Wall Street
New York 5, N. Y.

Counsel for the Respondents

INDEX TO VOLUME I

Corrections to Complete Index to Volumes I to IV

Page xviii, line 13—"Code" should be changed to read "Cole".

Page xxiii, line 7—Change dates to read "1903-1915".

BASIC FACTS ABOUT CEMENT, ITS MANUFACTURE AND MARKETS

A. The Product in Issue: Portland Cement 17

1. Standardization of Portland Cement 20

a. Historical Background 21

b. The American Society for Testing Materials 22

i. Committee C-1 23

c. Activities of Trade Associations: Adoption 24

2. Special Specifications for Portland Cement ... 26

3. The Buyer and Standardization 30

B. Uses for Cement 32

C. Who Buys Cement 35

1. Dealers 35

2. Governmental Bodies 39

D. Inception and Nation-wide Spread of the Industry; Capacity Expansion; Plurality of Ownership 41

PAGE

1. Inception of Domestic Cement Manufacture .. 42
2. Capacity Expansion 43
3. Cement Capacity: Company Groupings 47
4. Inter-Relationships Among Corporate Respondents 49

E. The Manufacture of Cement; Specialized Nature and Cost of Equipment; Production Costs and Plant Investments 51

1. The Manufacture of Cement 51
   a. Quarrying 53
   b. Crushing 53
   c. Raw Grinding 54
   d. Burning (Calcining) 54
   e. Final Grinding 55
2. Specialized Nature and Cost of Equipment ... 56
3. Production Cost and Plant Investments 59

F. Factors Controlling Locations of Plants 62

1. Demand 63
2. Proximity and Access to Markets 64
3. Availability of Raw Materials and Fuel 65
4. Other Factors 67

G. Capacity, Production and Shipments 68

1. Statistics of Capacity, Production and Shipments 68
2. Theoretical vs. Practical Capacity and Effect of Increased Specifications 70
3. Expansion and Contraction of Capacity Production and Shipments 74
4. Influence of Demand in 1920s: New Plants and Plant Improvements 74

PAGE

5. Influence of Depression in 1930s 77
6. Effect of Limited Storage Facilities 79
7. Effect of Fluctuations in Demand: Seasonal, Regional and Other 80
8. Effect of Volume on Cost 85

H. Elimination of Obsolete and Less Advantageously Located Plants 85

I. Limitation of Marketing Areas Around Each Plant 87

PART II

CEMENT PRICING—COMMERCIAL

A. The Origin of Delivered Prices 97
1. The Influence of Foreign Cement Distribution Methods 99
2. The Influence of Distributors 102
a. Early Use of Distributors 102
b. Methods of Sale to and by Distributors 104
3. The Elimination of Distributors 110
4. Increasing Numbers of Cement Mills and Their Spread Westward 116
5. The Buyers' Position 130
6. The North American License Agreements and the Association of Licensed Cement Manufacturers 134
7. Early Trade Association Activities 139
a. The Association of American Portland Cement Manufacturers 139
b. The Portland Cement Association 163
c. The Cement Manufacturers Protective Association 166

PAGE

B. THE USE OF DELIVERED PRICES 167
1. Extent of Use 167
2. F.O.B. Mill Prices 170
a. General 170
b. F.O.B. Mill Sales to Railroads 172
c. F.O.B. Mill Sales to Trucks 174
d. F.O.B. Mill Sales to Government Agencies 174
3. Reasons for Use of Delivered Prices 176
a. The Influence of High Transportation Cost of Cement 176
b. The Attitude of the Cement Buyer 177
c. The Attitude of the Producer 181
4. Denials of Agreement as to Prices 201

C. THE CEMENT MARKET AND IDENTICAL PRICES 203
1. Extent of Identity Generally 203
2. Absence of Brand Preference as a Price Consideration 204
a. Buyer Will Not Pay More for One Brand Than Another 204
3. How Cement Prices Become Known 213
a. Quoting Prices 214
b. Knowledge of Prices 220
c. Price Records Used by Producers 227
d. Exchange of Price Information 230
4. Price Reductions and "Price Cuts" 252
a. Open Reductions in Prices 252
b. Secret Price Cuts 254
c. Knowledge of Price Cuts 269
d. Forms of Price Cutting 271

PAGE

e. To Whom Price Cuts Given 273

f. Number of Price Cuts and Percentage of Business 276

g. The Effect of Quoting Lower Prices 285

5. Meeting Competition 309

a. Price Leaders 309

b. Price Followers 312

c. Price Identity and Competition 317

D. The Use of Basing Points 335

1. General 335

2. The Origins of Basing Points 351

a. Northampton—First Basing Point 352

b. Hannibal and Iola Become Basing Points .. 355

c. Other Early Basing Points 357

3. The Growth of Basing Points and the Changing Status of Mills 361

4. Reasons for Establishing Base or Non Base Mills 390

a. Base Mills 390

b. Non Base Mills 398

5. How Base Prices Are Used 409

a. Companies Using Their Own Base Plus Freight 409

b. Group Bases 425

c. Non Base Mills 445

d. Analysis of Prices 456

6. How Base Prices Are Determined 471

7. So Called Punitive Bases 484

a. Louisville, Nebraska 489

PAGE

b. Superior, Nebraska 501
c. Ada and Dewey, Oklahoma 507
d. Rapid City, South Dakota 515
e. Fultonham and Osborn, Ohio 521
f. Painesville, Ohio 525
g. Kosmosdale, Kentucky and Speed, Indiana 526
h. Spocari, Ala. 530
i. Cape Girardeau, Missouri 534
j. Subsequent Events 541
8. Dual Bases 549

E. "Arbitrary" or "Special" Prices 557
1. General 557
2. Flat or Zone Prices in Metropolitan Areas ... 563
3. Flat Prices in Mill Switching Areas 570
4. Port Bases 576
5. Arbitrary Prices at North Atlantic Port Areas 581
a. Boston 583
b. New York 586
c. Baltimore 587
6. State and County-Wide Uniform Prices 587
a. Uniform Price in State of Ohio 587
b. Uniform Price in State of Michigan 590
c. Allegheny County, Pa. 593
d. Ohio and Kentucky Counties 597

F. Price Changes 600
1. The 1932 Price Increases 603

C. METHODS OF COMPUTATION OF PRICES WHERE LAND GRANT RATES INVOLVED; BENEFITS OF SUCH RATES OBTAINED BY GOVERNMENT 792

1. Witnesses From Federal Departments 813

D. CONTROL CLAUSE 817

1. Explanation and Inception of Control Clause and Destination Costs on Sales to United States 817

2. First Use of Control Clause 821

a. Filing and Purpose 821

b. Code Authority Action: Dissemination of Control Clause 829

3. Respondents Not Using Control Clause 839

4. Respondents Using Control Clause 840

5. Reasons for Use of Control Clause 842

6. Post-Code Use of Control Clause 843

7. Operation of Control Clause; Effect on Land Grant Benefits 846

a. Generally 846

b. Land Grant Benefit 856

8. Comparison of Control Clause Used by Bidders With Government "Control Clause" and Relative Effect on Land Grant Benefits 863

9. Government Equalization Clause 869

E. SEALED BIDS TO U. S. GOVERNMENT: 1925-1938 873

1. Summary (Invitations in Evidence Chart) 873

2. Price Identity 875

a. Sales at Regular Commercial Prices 876

b. Objective of Meeting Prices at Destination 881

PAGE

c. Meeting Prices Filed Under NRA Code ... 882

d. Continuous Presence of Some Non-Identity of Prices 883

e. Opinions Expressed by Government Officials Concerning Price Identity 885

3. Denials of Agreement and Independent Action on Sealed Bids 887

4. Awards 918

a. Lowest Laid-Down Cost at Destination 918

b. Awards in Tie Bids 925

i. By Lots 925

ii. To Most Distant Bidder 926

iii. To Nearest Bidder; to Mill Able to Supply; Divisions of Awards; Miscellaneous 927

5. Types of Invitations and Bids; Extent of f.o.b. Mill Bidding 929

a. Specimens of Government Requests 929

b. Predominance of F.O.B. Destination Invitations and Bids 932

c. Alternate Invitations (Bidder's Option): F.O.B. Mill or F.O.B. Destination, F.O.B. Mill and/or F.O.B. Destination Invitations for F.O.B. Mill and F.O.B. Destination 933

d. F.O.B. Mill Invitations and Bids; Introduction and Statistics 940

i. Pre NRA Code 943

ii. Code Period and After Including Post Complaint 947

iii. General 950

6. Non-Agreement and Non-Resistance to f.o.b. Mill Bidding; Policies Thereon 952

PAGE

7. Reasons for Not Bidding 956
a. Rolling Forks, Mississippi 957
b. "Good Friday" 959
c. Ohio-West Virginia: New Jersey 967
d. Miscellaneous Lettings on Which Particular Respondents Did Not Bid 969

F. Tennessee Valley Authority (TVA) 970

TRUCK DELIVERY

PAGE

A. The Trucking Problem: General 1401

B. Extent of Delivery to Customers' Trucks: Demand 1414

1. Statistical Data 1414

2. Delivery to Trucks at Packing Plants, Silos and Warehouses and Delivery in Company Controlled Trucks 1425

a. Points along the Great Lakes 1425

b. Other Sections 1429

C. Loading Facilities for and Mill Problems in Handling Trucks 1430

D. Comparative Cost of Truck and Rail Delivery .. 1439

E. Price Policies: General 1450

1. District 4 and Points on the Great Lakes 1453

2. Tables by Districts (except District No. 4) .. 1475

F. Price Policies: The 15¢ Differential 1485

1. Districts 1 and 2: 1929-1930 1485

a. Circumstances of Adoption: General Evidence 1487

b. Circumstances of Adoption: Individual Company Evidence 1494

2. Districts 3, 4 and 5: 1930 1505

3. Other Districts 1522

PAGE

G. Price Policies: NRA Code Price Filing 1525

H. Dealer, Railroad & Producer Activities in Connection With Trucking: 1931 1530

1. The July 22, 1931 Meeting in New York 1530
2. Railroad—Producer Interviews Subsequent to 7/22/31 Meeting 1542
3. The January 7, 1932 Meeting in Philadelphia 1551
4. Other Dealer Activities in 1931 1557
5. Dealer-Producer Meetings in November 1931: Chicago & Cleveland 1564

I. Efforts to Reduce Short Haul Rail Rates in CFA Territory: 1931-1932 1568

1. Early Activities of Code, Traffic Manager, Medusa 1568
2. Background of Railroad-Producer Short Haul Rate Meeting: April 8, 1932 1570
3. The Short Haul Rate Meeting: April 8, 1932.. 1584
4. Cole's Activities after the Meeting 1586

J. Discontinuance by Producers 1590

1. December 1931: Western Pennsylvania and some Ohio Points 1590
2. June 1932: Five Mills in the Eastern West Virginia and Maryland Area 1598
3. August 1932: Lehigh Valley and New York State Mills 1601
4. The Southern States: District 6 1607
5. Texas: District 9 1610
6. Middle West Mills: Districts 5 and 7 1615
7. March, 1933: Gas Belt Mills, District 8 1619
8. District 10 and Some Mills in District 3 1622
9. Extent of Discontinuance: Summary 1625

PAGE

K. Reasons Given by Producers for Discontinuance 1625

L. Restricted Trucking Areas: Aetna and Huron Trucking Plans: Meetings 1933-1935 1667

1. Huron at Oswego, N. Y.: 1933 1669
2. The Cleveland, Ohio, Area: 1932 1672
3. The Toledo, Ohio, Area: 1932-1936 1673
4. The Huron-Aetna Controversy: Michigan: 1933 1674
5. Wisconsin and the Upper Peninsula of Michigan: 1935 1694

PART VII

WATER DELIVERY

A. General Extent of the Use of Water Delivery 1705

B. Use in Specific Areas: Demand: Comparative Costs of Water and Rail 1706

1. Atlantic Coast 1706
2. Great Lakes 1707
3. Hudson River and New York Harbor 1714
4. Mississippi River 1720
5. Ohio River 1722
6. Tennessee River 1725

C. Pricing Policies 1726

1. Introduction 1726
2. Atlantic Ports 1727
3. Hudson River and New York Harbor 1728
4. Mississippi River 1729
5. Ohio River 1731
6. Tennessee River 1731

PART XIV

DEALERS AND MANUFACTURERS' DEALER POLICIES

PAGE

A. IMPORTANCE OF DEALERS 2247

1. Dealers' Share in the Sale of Cement 2247

2. Statements of the Function, Advantage and Importance of Dealers 2248

B. DEFINITIONS OF DEALERS 2257

1. Flexibility of the Concept of a Dealer by Each Manufacturer 2257

2. Published Definitions of a Dealer 2263

3. Interpretation of Definitions 2271

a. Necessity for Flexibility in Deciding who is a Dealer 2273

b. Independence of Judgment in Determining who is a Dealer 2275

4. Denials of Agreement as to who are Dealers.. 2282

5. The Dealers' Interest in the Definition 2284

C. CLASSIFICATION OF DEALERS' TRADE AND DIRECT SALES 2285

1. Necessity for Classification 2285

2. Vagaries of Classification: 1913-1933 2285

3. Portland Cement Association Recommended Classification 2296

4. Institute Ignores Classification 2297

5. NRA Code on Classification: Article XI 2298

6. Classification Following Elimination of Article XI From the Code 2307

a. February 1935 Announcements 2313

b. Dealer Criticism 2322

PAGE

c. April 1935 Announcements 2326
d. Application of Announced Policies 2331

7. Preference for the Dealer Trade 2333
8. Manufacturer and Dealer Meetings: March, April 1935 2334
9. "Method of Marketing Cement": May 1935.. 2352
10. The Knoxville Meeting: July 1935 2370
11. How to Sell in Colorado 2378
12. Denials of Agreement and Some Company Statements 2379

D. Sales for Federal Relief Work 2385

1. Conflict Over Course of Sales to Federal Government for Non-Federal Work 2385
2. Procurement Division Accepts Manufacturers' Policy in Principle 2403
3. Experience in Various Procurement Divisions 2409
   a. California Procurement Division 2409
   b. Oklahoma Procurement Division 2411
   c. Mississippi Procurement Division 2412
   d. Arizona Procurement Division awards 45,000 barrels on invitation to bid on 3,000 barrels 2414
4. The Institute and Company Policies in Respect of PWA Sales 2415
5. Substituting Government Bills of Lading for Commercial Bills 2417
   a. In Georgia 2420
   b. In Mississippi 2423
6. Emergency Relief Sold Direct 2430

E. Dealer Price Protection 2433

1. Early Association Treatment of Price Protection 2433

PAGE

2. Dealer Discount 2453

a. Lehigh's Dealer Service Payment Plan, November, 1930 2458

b. Lehigh's "Twenty Years of Dealer Protection," May, 1931 2473

3. Protecting Dealer Mark-up 2483

4. The Institute and the Code Authority and Dealer Mark-ups 2498

F. Protection of Dealer's Territory 2499

1. The Institute and Protection of Dealer Territory 2513

2. Attitude of Dealers' Associations 2514

3. Diversions of Cement in Transit 2515

G. Influence of Dealers on Marketing Practice, Terms and Conditions 2515

1. The Dealer Chooses What Brands He Will Carry 2516

2. Deference to the Customer 2518

3. 30,000 Dealers Overweigh 90 Manufacturers.. 2521

4. Dealer Associations 2522

a. Direct Purchase of Building Supplies by the Government 2523

b. Appoint Liaison Officer for Contact With the Cement Industry 2529

c. Regional Associations 2533

d. Dealer Rosters 2539

e. Florida Dealers Boycott 2543

5. Manufacturers' Attitude Concerning Dealer Associations 2545

6. Influence of Dealers on Uniformity of Company Practices at the Level of Greatest Advantage to the Dealers 2546

PART XV

TERMS AND CONDITIONS OF SALE
